Dear Friends,

Summer is just about here and it's filled with fresh energy and lots of new and exciting events and programs here at Gwynedd! I'm thrilled to share news that we will soon be launching our new Care Concierge program — we'll be assigning a dedicated concierge to each resident to ensure all their needs are being met. Stay tuned for further details!

In this issue we are also excited to share our Nursing Home Week 2019 celebrations with you. This year's focus, "Living Soulfully," showcased how skilled nursing facilities like Gwynedd promote happy minds and healthy souls. Both our residents and staff were enthusiastic about our special activities. I would like to give a special "thank you" to our Activity Department for planning soulful activities that put a smile on everyone's face.

LIVE SOULFULLY

Nursing Home Week 2019

What makes you happy? Whether it's gardening, reading, cooking, listening to music, or relishing a bite of your favorite food — everyone finds happiness in different leisure pursuits.

That's why, in celebration of Nursing Home Week from May 12th – 18th, every day at Gwynedd featured a different event with activities that ran the gamut from savoring a Rita's ice in our garden to enjoying a relaxing massage. Pretzels & Crazy Hat Day, a Potluck Contest, and an Ice Cream Sundae Bar were a few of the highlights of our week.

Kudos to our Dietary Department who outdid themselves for Food Tasting Day by whipping up chicken jambalaya, southern banana pudding, cheesy grits, cornbread and a special cake for Nursing Home Week!

See How Our Garden Grows!

To mark Earth Day 2019, our residents got their hands dirty planting *Ranunculus* and *Gardenias*. The blossoming potted plants were then transferred outside to our garden in celebration of Nursing Home Week.

NOTED & QUOTED

“The therapists here are top of the line. They take their time with me and I’m so thrilled. I came to Gwynedd after surgery and I couldn’t sleep on a bed. They let me bring my own recliner from home so I can finally sleep well!”
